

Tricia K. Ryan

Email: triciakryan@gmail.com

A modern thinker who brings a fresh, vibe-coded approach to digital learning—designing experiences that move far beyond the “recreate a classroom” mindset. Expert digital instructional designer with deep technical capability in Articulate Storyline 360, Adobe Captivate, SCORM Cloud, and multimedia publishing systems. Known for building complex, interactive learning environments that merge creativity, technology, and user experience. Combines critical thinking with thoughtful, intentional communication to deliver learning that feels current, intuitive, and impactful.
